**INTERTEK WARNS OF INVALID/COUNTERFEIT INTERTEK TEST REPORT  
IDENTIFYING Chaozhou Xiangqiao Guangli Electronic Factory  
Product Night Light model A62, A64**

Intertek Testing Services notifies consumers, retailers and distributors that Intertek VOC 141218046GZU-001 dated 14 January, 2015 for product Night light (Model: A62, A64) is invalid and has been determined to be counterfeit.

These products of model A62, A64 have not been evaluated by Intertek. It is unknown if these products are in compliance with the applicable safety standard

Document information: Intertek VOC 141218046GZU-001 dated 14  
January, 2015  
Product: Night light  
Model: A62, A64  
Manufacturer: Chaozhou Xiangqiao Guangli Electronic Factory

This notice only applies to the Intertek test reports identifying product Night light with model A62, A64. Copies of the invalid counterfeit Intertek VOC is provided for reference.

## Test Verification of Conformity

On the basis of the referenced test report(s), sample(s) of the below product have been found to comply with the harmonized standards and Directives listed on this verification at the time the tests were carried out. Other standards and Directives may be relevant to the product.

Once all product relevant  mark directives are verified in compliance, the manufacturer may indicate compliance by signing a Declaration of Conformity themselves and applying the mark to product identical to the test sample(s) if the product complies with all relevant CE mark Directives requirements.

**Applicant Name & Address:**

Chaozhou Xiangqiao Guangli Electronic Factory  
Woshi Industrial Park, Dongshan Road, Qiaodong, Xiangqiao, Chaozhou,  
Guangdong, P.R.China

**Product Description:**

Night light

**Ratings & Principle**

AC230V, 50 Hz, Class II

**Characteristics:****Models:**

A66, A68, A70, A72, A74, A62, A64

**Brand Name:**

----

**Relevant Standards/****Specifications/Directives:**

EN 55015: 2013/ Limits and methods of measurement of radio disturbance characteristics of electrical lighting and similar equipment

EN 61000-3-2: 2006+ A1: 2009+ A2: 2009/ Electromagnetic compatibility (EMC) – Part 3-2: Limits – Limits for harmonic current emissions (equipment input current  $\leq 16$  A per phase)

EN 61000-3-3: 2013/ Electromagnetic compatibility (EMC) – Part 3-3: Limits – Limitation of voltage changes, voltage fluctuations and flicker in public low-voltage supply systems, for equipment with rated current  $\leq 16$  A per phase and not subject to conditional connection

EN 61547: 2009/ Equipment for general lighting purposes – EMC immunity requirements

EMC Directive 2004/108/EC

**Verification Issuing Office:**

Same as Legal Entity

**Date of Tests:**

20 December 2014-13 January 2015

**Test Report Number(s):**

141218046GZU-001: 14 January 2015

Note 1: This verification is part of the full test report(s) and should be read in conjunction with them.

**Signature:****Name:**

Maggie Xie

**Position:**

Project Engineer

**Date:**

14 January 2015

This Verification is for the exclusive use of Intertek's client and is provided pursuant to the agreement between Intertek and its Client. Intertek's responsibility and liability are limited to the terms and conditions of the agreement. Intertek assumes no liability to any party, other than to the Client in accordance with the agreement, for any loss, expense or damage occasioned by the use of this Verification. Only the Client is authorized to permit copying or distribution of this Verification. Any use of the Intertek name or one of its marks for the sale or advertisement of the tested material, product or service must first be approved in writing by Intertek. The observations and test/inspection results referenced in this Verification are relevant only to the sample tested/inspected. This Verification by itself does not imply that the material, product, or service is or has ever been under an Intertek certification program.
