Intertek

This document supersedes all previous Authorizations to Mark for the noted Report Number.

This Authorization is given for the exclusive use of applicant's Client and is provided pursuant to the Certification Agreement between Intertek and the Client. Intertek's responsibility and liability are limited to the terms and conditions of the agreement, which assumes no liability to any party, other than Intertek, in accordance with the agreement, for any loss, expense or damage occasioned to the use of the Authorizations to Mark, unless the Client is authorized to permit copies or duplication of this Authorization to be used and then only in the strictest confidence. Intertek's certification mark is restricted to the conditions set out in the agreement and in this Authorization to Mark. Any further use of the mark, or for the sale or advertisement of the tested material, product or service must first be approved in writing by Intertek. Intertek's responsibility and Intertek's services are for the purpose of an independent stage of the certification mark in accordance with the agreement, they are not for the purposes of production quality control and do not relieve the Client of their obligations in this respect.
